

Construction Apprenticeship

Job Summary:

At Forks Lath and Plaster, apprenticeships offer an immersive journey into the specialized world of steel stud framing and drywall installing and finishing. FLP is committed to investing in the growth of our workforce and nurturing talent. This dedication is exemplified through our nationally accredited apprenticeship program. You will receive a combination of classroom learning and on-the-job training. This program empowers individuals to advance in their careers! Upon completing the program, you will receive a Journeyman's certificate that will assist in the advancement of your career with FLP.

The apprenticeship program is a hybrid course, consisting of both on-the-job training and classroom learning. Once you have completed the course, you will receive a Journeyman certificate, and you can earn \$30+ an hour as a Journeyman with FLP!

Applicants must have/possess:

- High physical capacity/able to lift 50+ lbs
- High school diploma or GED equivalent
- Driver's license and reliable means of transportation
- Clear background record

Benefits include:

- 100% Paid Premium Healthcare
- Retirement Plan with Company Match
- Annual Profit Sharing
- Performance Evaluations
- Weekly pay
- Daily Per Diem Bonuses
- Paid Traveling and Lodging
- Safety and Skills Training
- Tool Buying Assistance Program
- Clothing Issuance

Starting Wage upon certification: \$35+ per hour
